Notice Concerning Revisions to Dividend Forecast (Dividend Increase)

JANOME Corporation (the "Company") hereby announces that it has resolved, at a meeting of the Board of Directors held today, to revise its year-end dividend forecast for the fiscal year ending March 31, 2027.

1. Details of revisions to the year-end dividend forecast for the fiscal year ending March 31, 2027 (April 1, 2026 to March 31, 2027)

	Dividends per share (Yen)			Payout ratio (consolidated)
	2nd quarter-end	Year-end	Total	
Previous forecast (announced on May 12, 2026)	20.00	40.00	60.00	51.1%
Revised forecast	20.00	55.00	75.00	63.6%
Results for the fiscal year ended March 31, 2026	20.00	35.00	55.00	164.7%

2. Reasons

The Company regards the return of profits to its shareholders as one of its key management priorities and has established its dividend policy as set forth below.

- Maximize shareholder value by maintaining solid equity capital and reinforcing the sound financial foundation while simultaneously pursuing improvement in capital efficiency
- Aim to maintain stable dividends over the long term and strive to increase dividends in line with medium- to long-term profit growth
- Pay dividends with targets of a DOE of at least 3% and a consolidated dividend payout ratio of at least 40%, with an awareness of achieving progressive dividends

Based on the above policy and after comprehensively taking into account the recent business performance trends and the enhancement of shareholder returns, the Company has decided to revise its annual dividend forecast per share for the fiscal year ending March 31, 2027 from the previous forecast of **60 yen to 75 yen, an increase of 15 yen** (an increase of 25% from the previous forecast).

The Company will continue to pursue both sustainable profit growth and enhanced shareholder returns, and will meet the expectations of the shareholders by increasing corporate value.
