Notice Concerning Revisions to Financial Results Forecasts

ISHIHARA CHEMICAL CO., LTD. (the "Company") hereby announces that the Company has revised its consolidated financial results forecasts for the fiscal year ending March 31, 2027, announced on May 15, 2026 as follows in light of the most recent business performance trends.

Revisions to consolidated financial results forecasts for the current fiscal year (April 1, 2026 through March 31, 2027)

	Consolidated net sales	Consolidated operating profit	Consolidated ordinary profit	Profit attributable to owners of parent	Consolidated earnings per share
	(Millions of yen)	(Millions of yen)	(Millions of yen)	(Millions of yen)	(Yen)
Previously announced forecasts (A)	25,600	3,760	3,850	2,760	201.86
Revised forecasts (B)	26,000	4,250	4,350	3,090	227.90
Change (B-A)	400	490	500	330	
Change (%)	1.6	13.0	13.0	12.0	
(Reference) Actual consolidated results for the previous fiscal year (Fiscal year ended March 31, 2026)	23,450	3,841	3,994	2,969	217.33

Reason for revision

Regarding Plating chemicals and Automated chemical analyzer, the financial results forecast announced on May 15, 2026, has been revised as shown above, reflecting the expectation that demand for products used in advanced semiconductor packaging applications for generative AI will remain strong.

Note: The above financial results forecasts are based on information currently available to the Company as of October 30, 2026 and on certain assumptions deemed to be reasonable. Actual financial results may differ from forecasts due to various factors in the future.
