Notice Concerning Revision to the Year-End Dividend Forecast for the Fiscal Year Ending March 31, 2027

RIKEN TECHNOS CORPORATION (the "Company") hereby announces that, at a meeting of its Board of Directors held today, it resolved to revise the dividend forecast for the fiscal year ending March 31, 2027, as set forth below.

1. Details of the revision

(Yen)

	Annual dividends			Consolidated dividend payout ratio
	Second quarter-end	Fiscal-year end	Total	
Previous forecasts (Announced on July 31, 2026)	42.00	43.00	85.00	40.1%
Revised forecasts		47.00	89.00	40.3%
Actual results for the current fiscal year	42.00			
(Reference) Actual results for the previous fiscal year (Fiscal year ended March 31, 2026)	20.00	34.00	54.00	35.1%

2. Reason for the revision

The management of the Company has been positioning the distribution of profits to its shareholders through increased corporate value in the medium to long-term as one of the most important management issues and makes it a basic policy to ensure a steady and sustainable stream of dividends while considering future business investments, enhancement of shareholders' equity, and other factors, with the aim of a consolidated dividend payout ratio of at least 40% or a DOE (consolidated dividend on equity ratio) of at least 3.5%, whichever is higher.

Based on the fact that the profit attributable to owners of parent for the six months ended September 30, 2026 exceeded the previous forecast and the revision of its consolidated financial forecasts for the fiscal year ending March 31, 2027 announced today, the Company has revised its fiscal year-end dividend forecast to ¥47.00 per share and its annual dividend forecast to ¥89.00 per share.
