Notice Regarding Off-Auction Distribution of Shares

SoftCreate Holdings Corp. (the “Company”) hereby announces that it plans to conduct an off-auction distribution of its shares as outlined below.

		Details
1.	Number of shares to be distributed	1,308,000 shares
2.	Planned distribution period	From Wednesday, November 11, 2026 to Friday, November 13, 2026
3.	Distribution price	The distribution price is scheduled to be determined based on the closing price or the final quoted price on the business day immediately preceding the distribution date.
4.	Maximum number of shares purchasable	10,000 shares per customer (trading unit: 100 shares)
5.	Stock exchange on which the distribution will be conducted	Tokyo Stock Exchange
6.	Purpose of the distribution	A shareholder of the Company has expressed an intention to sell a certain number of the Company’s shares. After consideration, the Company determined that conducting the distribution would contribute to improving the distribution of its shares among shareholders and enhancing their liquidity.

The distribution may be canceled or postponed if it becomes difficult to conduct due to a sudden fluctuation in the stock market or other circumstances.
