Notice Regarding Revision of Year-end Dividend Forecast (Dividend Increase)

DAICEL CORPORATION (hereinafter referred to as the "Company") hereby announces that it has revised its year-end dividend forecast for the fiscal year ending March 31, 2027, announced on May 22, 2026, as follows.

1. Revision of year-end dividend forecast

	Dividend amount per share		
	2nd quarter-end	Year-end	Total
Previous forecast (Announced on May 22, 2026)	¥35.00	¥35.00	¥70.00
Revised forecast		¥40.00	¥75.00
Result for current fiscal year (Fiscal year ending March 31, 2027)	¥35.00		
Results for the previous fiscal year (Fiscal year ended March 31, 2026)	¥30.00	¥30.00	¥60.00

2. Reasons for the revision of year-end dividend forecast

Under its Mid-Term Management Strategy "Accelerate 2030," which commenced in the fiscal year ending March 31, 2027, the Company has set a DOE target of 5% or higher with the aim of achieving stable and continuous progressive dividends, while, in terms of total shareholder returns, it has set a total return ratio target of 60% or higher.

Based on the above policy and the latest full-year consolidated earnings forecast announced today, the Company has revised its year-end dividend forecast for the current fiscal year upward by ¥5 per share, from ¥35 to ¥40 per share. As a result, the annual dividend forecast will be ¥75 per share, with DOE expected to be 5.0% and the total return ratio, including the acquisition of treasury stock announced today, expected to be 65.7%.

For details of the latest consolidated earnings forecast for the fiscal year ending March 31, 2027, please refer to the "Notice Regarding Differences between Consolidated Financial Forecast and Actual Results for Six-month Period ended September 30, 2026, and Revision to Consolidated Financial Forecast for Fiscal Year ending March 31, 2027" announced today.
