Notice Regarding Decrease in Non-Operating Income (Foreign Exchange Gain)

SOURCENEXT CORPORATION (Headquarters: Chiyoda-ku, Tokyo; Representative Director, President and CEO: Noriyuki Matsuda; "the Company") hereby announces a decrease in non-operating income (foreign exchange gain) for the nine months ended September 30, 2026 (January 1 – September 30, 2026) of the fiscal year ending December 31, 2026, as set out below.

1. Decrease in Non-Operating Income (Foreign Exchange Gain)

The Company had recorded a foreign exchange gain of ¥115 million for the six months ended June 30, 2026 (January 1 – June 30, 2026) of the fiscal year ending December 31, 2026. However, due to subsequent fluctuations in foreign exchange rates, the foreign exchange gain decreased by ¥85 million, and the Company has recorded a foreign exchange gain of ¥30 million for the nine months ended September 30, 2026 (January 1 – September 30, 2026). This was mainly attributable to the revaluation of foreign currency-denominated assets held by the Group at the exchange rates prevailing at the end of the third quarter. The amount is subject to change depending on future exchange rate movements.

2. Impact on Financial Results

The impact of recording the above non-operating income (foreign exchange gain) on the Company's financial results is reflected in the "Consolidated Financial Results for the Nine Months Ended September 30, 2026 (Under Japanese GAAP)" announced today.
